

# GRAS AK0040

Standard 19" Rack-mounting System

A shelf for mounting instrument, e.g. GRAS Power Modules, and can itself be mounted in a standard 19" instrument rack via its flanges.

### Introduction

The GRAS AK0040 can house instruments, e.g. GRAS Power modules, 133 mm high and is wide enough to contain instruments amounting up to a total width of 430 mm. The AK0040 can in turn be mounted in a standard 19" rack.

### Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreens we offer a 6 month warranty.

## About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require.

GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands. Read more at [www.grasacoustics.com](http://www.grasacoustics.com)
