

# GRAS RA0052

Test Jig

For use with GRAS couplers and artificial ears. It has an adjustable spring-loaded arm to exert a variable force on the test object.

## Introduction

The GRAS RA0052 is for use with GRAS couplers and artificial ears. It has an adjustable spring-loaded arm to exert a variable force on the test object.

The design of RA0052 enables mounting of two additional springs, for high-tension setups. These two springs are delivered with the RA0052.

For previous versions of RA0052, designed for two springs only, the [GRAS RA0196](#) High-tension kit is available. This kit, including four springs, is offered for replacement of the top of RA0052.

This product includes the GRAS RA0001 Right-Angled (90°) Adapter. It also comes with all necessary components for mounting a 1/2" microphone (e.g., GRAS 40AO or 40AG) and a 1/4" preamplifier (e.g., GRAS 26CB or 26AC). For details on additional compatible parts, please contact GRAS Technical Support.

## Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreen we offer a 6 month warranty.

## About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require. GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands.
