

GRAS AL0005

Swivel head

The GRAS AL0005 swivel adapter provides stepless angular adjustment of a microphone holder with a microphone set.

Introduction

The swivel head is provided with a 1/4" UNC-20 male thread for a GRAS microphone holder which in turn holds the microphone set. The bottom of the GRAS AL0005 is provided with a 1/4" UNC-20 female thread for a compatible tripod e.g. GRAS AL0006.

Notice that the swivel head AL0005 is included in GRAS AL0003.

Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreen we offer a 6 month warranty.

About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones to industries where acoustic measuring accuracy and repeatability is of utmost importance in R&D, QA and production. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, and consumer electronics. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect and trust.

GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands. Read more at www.GRASacoustics.com
