GRAS 0P0026

Kit for Frequency Calibration of 1/4" Surface Microphones

The GRAS 0P0026 kit contains an electrostatic actuator and an actuator calibration holder for GRAS precision 1/4" surface microphones.

Introduction

For frequency calibration of GRAS 1/4" precision surface microphones, you will in addition to a GRAS 14AA Electrostatic Actuator Amplifier need an Electrostatic Actuator and a holder. These are included in the GRAS 0P0026 kit.

Performance & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreens we offer a 6 month warranty.

Ordering info

Included items

RA0284	Electrostatic Actuator for 1/4" Surface Microphone Sets
RA0291	Actuator Calibration Holder for 1/4" Surface Microphone Sets

About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require.

GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands. Read more at www.grasacoustics.com
