GRAS RA0355 1" DUST, OIL, WATER AND SHOCK RESISTANT MICROPHONE PROTECTION GRID FOR 147EB MICROPHONE SET

1" dust-, oil-, water-, and shock-resistant microphone protection grid designed for the GRAS 147EB microphone set. The RA0355 works in conjunction with the 1/2" RA0360 protection grid for enhanced protection.

Technology

GRAS RA0355 1" Dust, Oil, Water and shock resistant microphone protection grid for 147EB microphone set

Introduction

The GRAS RA0355 is a robust protection grid designed specifically for the GRAS 147EB microphone set, providing resistance to dust, oil, water, and shock. It features a secure M16X1 thread for reliable attachment and incorporates multiple protective layers to safeguard the microphone capsule's diaphragm from water splashes, dust, and other contaminants that could affect performance or cause damage. For enhanced protection, the RA0355 is used alongside the GRAS RA0360 1/2" protection grid and the GRAS AM0387-1 click-mount windscreen, forming a comprehensive protective system for the GRAS 147EB microphone set.

Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use. On consumables like batteries, cables and windscreen we offer a 6 month warranty.

About GRAS Sound & Vibration

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones and related equipment for industries where acoustic measuring accuracy and repeatability are of the utmost importance. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, consumer electronics and other highly demanding industries. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect, trust and require.

GRAS Sound & Vibration is represented through subsidiaries and distributors in more than 40 countries and is part of Axiometrix Solutions, a leading test solutions provider comprised of globally recognized measurement brands. Read more at www.grasacoustics.com
