

GRAS AA0039-CL

Customized Length BNC - BNC Cable

BNC - BNC
Customized length
RG-58

This is a customized length BNC male to BNC male
coaxial cable.

Introduction

The GRAS AA0039-CL is a customized length coaxial cable type RG-58 with BNC male connectors. If, for instance, you wish to order 2.5 m cable you write: AA0039-CL0250, as 2.5 m is written in centimeters or if you wish to order 12 m cable, order: AA0039-CL1200, as 12 m is written in centimeters.

Alternatives

A number of similar standard length cables are available as stock items e.g. GRAS AA0035 3 m BNC - BNC Cable.

In addition, corresponding cables with RG-174 (thin and flexible coaxial cable) are available e.g. GRAS AA0056-CL Customized length BNC - BNC Cable, thin and flexible.

Quality & Warranty

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreen we offer a 6 month warranty.

ABOUT GRAS SOUND & VIBRATION

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones to industries where acoustic measuring accuracy and repeatability is of utmost importance in R&D, QA and production. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, and consumer electronics. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect and trust.
